Dear Sir:

Prior to examination of this application on the merits, please enter the following amendments and remarks.

IN THE CLAIMS

Please rewfite claims 2 and 3 as follows:

- (Once Amended) An electronic device according to claim 1, wherein said 2. USB transmitter-receiver includes an endpoint for a control transfer, and wherein said controller receives, from said host computer, information specifying a desired logical device via said endpoint for a control transfer, and connects an endpoint selected from the endpoints of said USB transmitter-receiver to said logical device.
- (Once Amended) An electronic device according to claim 1, wherein said 3. USB transmitter-receiver includes an endpoint for a control transfer, and wherein said controller receives, from said host computer, information specifying a desired service via said endpoint for a control transfer, and connects an
